PROJECTS

Turbo Brew Tumbler:

Inspired from the Ferrari GTB 308 and the Bialetti Moka Pot. The idea of collaborating was to combine our love for the two things we love the most, coffee and racing

Snap Grove:

A portable Bluetooth speaker with a unique crab claw-inspired snap design that hooks onto anything effortlessly. Despite its compact size, it delivers powerful, crystal-clear sound wherever you go. Elevate every adventure with style, convenience, and unbeatable performance.

Air Tunes:

This is a cool, funky looking Apple AirPods Gen 2 cover that has a distinctive fusion of modern utility and vintage inspiration.
